All our chefs are Thai, indeed they have all cooked for the Princess of Thailand. Everything is freshly made in house everyday and we are a fresh food kitchen - at peak times wait times may vary. If there is a specific Thai dish you would like to have and it's not on the menu just ask and we will see what we can rustle up. Dishes are prepared in areas where allergenic ingredients are present and may contain traces. We cannot guarantee our dishes are 100% free from these ingredients. Please alert your server of any serious allergies & we will do our utmost to cater for your requirements.
